

Get 2 It's Paid For You

How to become a Preferred Customer

This form shows you how to get free product by sharing the "Preferred Customer" discount with your friends!

The Perks

The Team at Jeunesse® loves rewarding people who believe in our products. You already get product at a discounted price, but if you decide you want to spread the good news and help your friends get discounts, you can. For the first two people you share the "Preferred Customer" price with, you get a free bottle of LUMINESCE™ cellular rejuvenation serum. For every pair of friends you share this with afterwards, you get five free LUMINESCE™ cellular rejuvenation serum minis.*

This program revolves around an *Autoship* period: meaning, 30 days after you sign up to get your products shipped automatically (ex: If you Autoship on January 25th, your Autoship end-date is February 24th before 8:30 p.m. [Eastern Standard Time, USA—no matter which country you reside in]).

For the first two Preferred Customers signed up (in an Autoship month), you get:

- One free bottle of LUMINESCE™ cellular rejuvenation serum

For any pair of Preferred Customers signed up afterwards (in that Autoship month), you get:

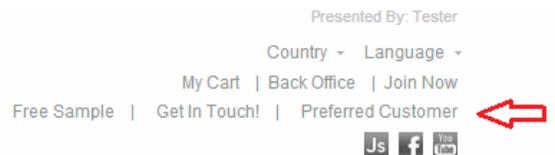

- Five serum minis

"Get 2 It's Paid For You" is specifically targeted to help you get what you want the most: fabulous product at a cheaper price and free samples to give away or to use personally.

***Program rules:** You must be enrolled in the Autoship program with the "Get 2 Promotion" selected in order to receive your free product. As a Preferred Customer you have access to your own Back Office to purchase the preferred products (AM/PM, LUMINESCE™ or Reserve™) or you can purchase from the shop as a retail member. If you purchase products from the Retail Shop then the points from the retail product go upline and the sponsor (Distributor) gets the difference of the wholesale price and the retail price in commissions. If a Preferred Customer becomes a Distributor within seven days of enrolling, they will still count as a Preferred Customer until the next Autoship cycle. **If you have an extra Preferred Customer at the end of an Autoship month (for example, if you have five in that Autoship month instead of six), the extra one does not carry over to the next month.** Shipping and taxes not included.

If you sign up another Preferred Customer who decides to join Jeunesse® as a Distributor, an email will be sent to both you and the upline Distributor (the Distributor that gave you the "Preferred Customer" discount). You, who signed up the upgrading Preferred Customer, will then be given 72 hours to also upgrade to a Distributor and become the sponsor of this Preferred Customer. However, if you decide NOT to upgrade within this allotted time, the upgrading Preferred Customer and their personal team will be moved to the upline Distributor's private leg to help both him/her and this new Member successfully work their business. As a Distributor, you cannot physically place the Preferred Customers that your Preferred Customers get in your downline; they go on the left and right legs automatically.
